SMALL QUANTITIES are listed on this pricelist as **B&W** and **R&B** and are available on white vinyl only. We print up to sixteen different orders on one sheet. It takes time to get enough orders to fill up a sheet, so the available colors are restricted in order to keep the turnaround time down to 2-6 weeks. Rush service is not available with Small Quantity orders, sorry. Shipping is not included in these listed prices.

B&W means black ink on white vinyl. Reverse-out prints (black background, white type) are available at no extra cost. Order B&W stickers in lots of 250. (IE, If you want 500 4.25" x 2.75", the price is \$72 + shipping)

R&B means red and black ink on white vinyl. Order R&B stickers in lots of 250. (IE, If you want 1500 4.25" x 1.38", the price is \$192 + shipping) You can use the colors however you wish (for example, you can have a red background)

B

BULK QUANTITIES We offer many options for size, vinyl stock, colors and shape with BULK quantities. Turnaround time is faster with Bulk quantities — most orders are shipped within 2-3 weeks, though nothing is guaranteed unless rush arrangements are made. (Contact us for rush details). BULK prices are at bit.ly/sguybulk. The more stickers you order, the cheaper they become (per sticker). Contact us for quotes on quantities other than what is listed. You may get a split order of a couple of different designs, provided that they use the same ink colors.
